gift baskets

DELICIOUS, BEAUTIFUL, AND EASY AS 1, 2, 3...

1 decide...

Decide on a budget and decide if you'd like us to put your gift basket together, or if you would like to do the shopping yourself. Choose a theme for your basket. We have lots of ideas – some are listed on the back page – but the possibilities are endless! We love to be creative at The Cookbook Co. Cooks!

2 shop...

◀ **FIRST** – the basket itself!
We have a variety of beautiful “baskets” that can hold your culinary treasures. From wire and wicker baskets, to leather CD boxes, wooden crates and ceramic bowls.

SECOND – fill it up! ▶
We can do the shopping for you, or you can roam our aisles and pick everything out yourself. Choose from thousands of delicious and unusual gourmet pantry items, cookbooks and kitchen wares.

3 wrap it up...

Once the basket is filled, we just have to wrap it up! Then it's ready for you to pick up or we can arrange to have it delivered.
